

KAUST LIVE: FALL SERIES

Are you interested in being a Visiting Research Intern at KAUST?

Our Visiting Students Research Program (VSRP) is a fully-funded internship opportunity for highly-qualified Bachelors and Masters students to visit KAUST and work with our faculty mentors on specific research topics.

KAUST is home to world-class facilities, leading researchers and a diverse community made up of 120 nationalities.

Join one of our live information webinars to learn more about the program, eligibility requirements and what its like to live at KAUST!
